pose and the Orchestra was excellent. The dresses and senery were everything that could be desired. Alrogether the troupe is such a one as a great City, like New York, should support.

We cannot bring our hasty notice to a close without urging once more the necessity and expediency of restoring Benedettl to his former position in the company. The public will hardly concent to miss their old favorine and we believe that the treasury of the established of parts. The Money market at Philadelphia is still control to the loan is to take up the floating debt of the Company.

The Banks are doing little rates for good and the orchestra was excellent. The grand of the stability of the s ity, and restore a feeling of confidence in the enter alarm

CLUB HOUSE .- The corner stone of a new Club House, to be erected in Liberty st. was laid on Saturday last with appropriate ceremonies, including a bountifully spread table. The new Club House is being erected by

when the following papers were taken up and arted spon, viz. Petition of F. A. Huttagare and others for sevil and present of the F. A. Huttagare and others a glasts widening Green-land. Sunsty bills for candles, compensation for policemen, repaired of lamps, impacture of sheetine, &c. all of which were referred to the Fiscal Committee. ... The friends of the insteaded Captain Canadian, compensation for policemen, repaired in the same and the same and the same of the sam

COMMERCIAL AND MONEY MATTERS.

covered sgain at the Second Board. It is stated that some of the Philadelphia Banks have been lending freeiy on this stock, and that considerable kiting was done 
yester day bet ween Philadelphia and this City by opera 
tore in the stock to reise money.

In Exchanges there is but a moderate business 
doing, and rates are without change—9: 210 for firstclass. Until confidence returns in British credit, there 
can be no alleviation of this high rate looked for. Bills 
are in felt supply, but the leading drawers are not any. are in fair supply, but the leading drawers are not anx-

In Freights there is more activity. Engagebarrels Flour and Meal at 18d for Liverpool. Cotton is

The Money market is without relief. First-class paper sells at 12:218 per cent, and there is considerable offering. The Banks evince no disposition to extend

Our Bank-tinkering Legislature have now no cts per bush less than eight bills before them for the improvement of our Banks. They are doing all they can to break down the beat Banking system the State ever had, and not content with driving our own safe currency out of existence are desirous of throwing open the door for an indux of the trresponsible issues of foreign Banks. The Bills before the Legislature are for admitting U. B. stocks as a basis for extremery, taxing Banks on their circulation, par tering all old Safety Fund Banks, repealing act prohibit-ing small notes of other States, and to remove the charge of the Bank Department from the Controller to the hibition and let in a flood of Government stocks, which are below par, for a six per cent. stock, when it will be

the right in the difficulty, we trust that no time may be lost in baying it settled. The announcement of his name upon the bills would crowd the house to its utmost ca-

as follows: 6.452 barrels of Flour, valued at \$12,179: Corn Meal, 1,892 barrels, valued at \$6,150; Lard, 109,643 pounds, valued at \$13,341; and Domestic Goods valued
